★ ★ ★
management by integrating sustainable practices into Grant Grove Restaurant operations. Water and energy conservation, composting, and recycling are just a few examples. Our chefs developed a new and delicious menu using up to 60% local, organic, and sustainable ingredients. Culmination of these efforts resulted in a 3-Star Certified Green Restaurant® Certification with the Green Restaurant Association.

DINE GREEN WITH US! Long before green was fashionable, Delaware North set about the task of establishing a program to help protect the parks in its care. That was the beginning of GreenPath®, our stewardship platform. To this day, we continue to use GreenPath® as a tool for environmentally responsible

We believe in protecting the special places we operate in, celebrating the beauty of our national treasures and ensuring that the generations that follow us have an opportunity to experience the world the way we do today. It is this sense of stewardship that gave rise to GreenPath®, a formal, documented and comprehensive plan covering just about everything we could think of to preserve and protect our natural resources.
